Summary and Other Accomplishments

Angela grew up in the small city of Medicine Hat and finished her RCM Level 10 piano in less than 10 years time. She got her Bachelor of Music in Performance from the University of Lethbridge, known for its diverse and intense music program and studied with renowned pianists Glen Montgomery and Deanna Oye and violinist Airdrie Robinson.

She has over 9 years of teaching experience having taught students from ages 3-65 years old all receiving excellent marks in the Kiwanis Festival and RCM exams. With a lifelong passion for fine arts, she also has an extensive background in professional modeling, film acting, and playing other instruments (guitar, flute, singing and percussion). Her career has taken her internationally to Asia where she was a Top 50 semi-finalist in Eelin Star National Competition for vocals out of 13,000 competitors. She has appeared in many films, commercials, magazines and been invited to star in TV shows including TLC Discovery Channel in Malaysia.

Angela believes age is not a factor to keep one from doing what they love, including learning music. She believes in bringing out the hidden strengths in every student and enjoys establishing rapport with them. Angela taught at Musica Academy in 2014, left for Asia for other opportunities, but rejoins Musica's team in 2020.
