Music Qualifications:	RCM Grade 10 Yamaha Piano Grade 6

Summary and Other Accomplishments

Jacky Wong started playing piano at the age of 5 at Musica Academy. He later took private lessons with Musica Academy's director, Ms. Looi Tan, and learned piano under her wing for 10 years. Under her guidance, he completed his Grade 10 RCM with First Class Honors and learned how to compose music.

Jacky has competed in the Kiwanis/ Calgary Performing Arts Festival for four years, earning second, first, and second place in his last three competing years in the piano solo-recital category. In his final year competing, he placed first in the competition category, as well as earning an invitation from Edmonton to compete provincially, winning second place. He has also played in multiple JOC concerts and was once invited to Vancouver to share his composition.

Jacky is currently a student at the Alberta College of Art and Design, hoping to pursue a design degree. In his spare time, he creates concepts for his designs or for his compositions in piano.
